Scholarly articles for **polyethyleneimine metal complex odor**... support by covalent attachment to **polyethyleneimine** - ... - Dekker - Cited by 36**Method for reducing odor** using coordinated polydentate compounds ...

by B Wu · 2005

A method for reducing **odor** is provided. The method comprises forming a coordination **complex** between a transition **metal** and a polydentate compound, ...
www.freepatentsonline.com/y2005/Q064474.html**Nanofibrous polyethyleneimine** membranes as sensitive coatings for ...

by X Wang · 2009 · Related articles

Aug 8, 2009 ... [22] J. Huang, X. Li, Q. Guo, Interpolymer **complexes** and ... films for QCM **odor** sensors by steady-state sensor response measurement, Sens. ...
linkinghub.elsevier.com/retrieve/pii/S09255400509006674**Immobilization of a lactase onto a magnetic support by covalent ...**

by RFF Dekker · 1993 · Cited by 36 · Related articles

treatment with **polyethyleneimine** and crosslinked with glutaraldehyde - ... silanization technique, and also by formation of transition **metal complexes** ... there was no **odor** of glutaraldehyde remaining. The matrix was recovered ...
www.springerlink.com/index/W37U685726V401R3.pdf**Functional monomers and polymers** - Google Books Result

Kichi Takemoto, Raphael M. Otterbrite · 1997 · Science · 537 pages

The cobalt complex attached to the **poly(ethyleneimine)** cross-linked with ... toward solid (absolutely solvent-free) polymers containing **metal complexes** for ...
books.google.com/books?isbn=0824799917...**Deodorant composition and use thereof** - US Patent 6001342 DescriptionThis is the case, for example, of **polyethyleneimine** (hyperbranched polymer), ... for example, zirconium oxide salts and hydroxyzirconyl salts; **metal complexes** such as
Test Active agent Initial pH Grade of **odor** Grade of **odor** ...
www.patentstorm.us/patents/6001342/description.html**(WO/2006/053284) POLYMERIC WOOD PRESERVATIVE COMPOSITIONS**metal compound present in the **metal complex** solutions of the invention herein will ...
[0030] **Polyethyleneimine** (PEI) is a polymeric amine complexing agent ...
www.wipo.int/pctdb/ja/wj.jsp?WO=2006053284&IA... - Cached**EXPANDED STARCH FOR ODOR CONTROL** - Patent WO/2008/026114In one particular embodiment, the polyalkylimine is **polyethyleneimine**, ... In other words, the affinity between the **metal** and the **odor** molecule may be ...
www.sumobrain.com/patents/wipo/...odor.../WO2008026114.html - Cached**SpringerProtocols: Full Text: 33. Storage of Pure Proteins**Use EDTA in the concentration range 2–5 mM to **complex** the divalent **metal** ions essential for **Polyethyleneimine** is a cationic polymer with numerous uses, ... or dithiothreitol ("Cleland's reagent", or DTT, a solid with little **odor**). ...
www.springerprotocols.com/Full/doi/10.1385/1-59259-655-X:323?

METHOD FOR PREPARING COMPOSITES OF ZEOLITE-FIBER SUBSTRATE ...
diamine, **metal** porphyrin and **complex** compounds represented by M(salan) (M is
shows improved antibiotic activity, **odor** resistance and absorption capacity, Preparation
of Monolayer of Zeolite Crystals Using **Polyethyleneimine** ...
